How to Add a Cover Image to a Category in Resources

09/08/2025 10:25 am CDT

You can now share **direct links** to any Resource category in Catholic Social Media and customize the look of those categories with a **cover image**. This helps make your Resources section both visually appealing and easy to navigate.

Automatic Cover Images

- If your category already has at least one image file in it, the**first image** will automatically be used as the cover image.
- If no images are present, the category will display a **default icon**.

Uploading Your Own Cover Image

1. **Click into the category** you want to customize.
2. Click the **Edit** button for the category.
3. Find the **Upload Cover Image** option.
4. Click **Select Image to Upload**.
5. Choose a **JPEG** or **PNG** file from your computer.
6. After the upload, click **Update** or **Publish**.

Refresh the page to see your new cover image in place.

Best Practices

- **Use high-quality images** (at least 1200px wide) for a clean, professional look.
- Choose imagery that reflects the category content (e.g., a photo of a baptism for a “Sacraments” category).
- Keep file sizes under 2MB for faster loading.
